CHRISTIAN CHURCH

## Statement of Values

### **Biblical Authority**

---

God has spoken and continues to speak to us through His living word and we acknowledge it as the final authority for our everyday lives.

*Are my attitudes, convictions, and actions consistent with the Scriptures?*

### **Cohesive Culture**

---

We stand in unity on the essentials of our faith and love one another as we differ on the non-essentials.

*By my words and actions, do I contribute to the unity of the church?*

### **Selfless Worship**

---

We gather for worship and live it out as selfless, prayerful, open-handed people.

*Am I selfless and God-centered in my worship?*

### **Growing Relationships**

---

Spiritual growth happens best within relationships that reflect the love of God and His diverse family.

*Am I building relationships with a smaller group of people?*

### **Strategic Service**

---

Our lives have maximum impact when we strategically invest them where God is working.

*Where am I serving?*

### **Intentional Meeting**

---

We are responsible to invest in others by sharing the wisdom, gifts, and skills that God's entrusted to us.

*Am I investing in someone else?*

### **Faithful Stewardship**

---

God trusts us to use the time, talents, and resources He has provided for His glory.

*Am I honoring God with the gifts He has given me?*
